Explanations	

Based on the application made by our Company, a dumping investigation has been opened against the product "acrylic fiber" with the article definition "acrylic or modacrylic ones" classified under the customs tariff statistical position 5501.30.00.00.00 originating from the People's Republic of China. Within the scope of the "Communiqué on Prevention of Unfair Competition in Imports" published in the Official Gazette dated today and prepared by the Ministry of Trade, it was stated that it was decided to open the investigation since it was understood that there was sufficient information, documents and evidence to open a dumping investigation.

When there is an important development within the scope of the investigation, it will be shared with the public.

This information is presented to the public.

Sincerely,

The Material Disclosure Announcement has been prepared in Turkish and in English. In case of any discrepancy between the two versions, the Turkish version will prevail.

We proclaim that our above disclosure is in conformity with the principles set down in "Material Events Communiqué" of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we're personally liable for the disclosures.
