In line with some news about our Company and its joint venture partner DowAksa Advanced Composites Holdings B.V. ("DowAksa") published in the media, it has become necessary to make the following statement in order to inform our investors within the scope of the Capital Markets Board's Communiqué on Material Events numbered II-15.1.

News that Dow Europe Holdings B.V. has authorized financial advisors to sell its 50% stake in DowAksa and that it is conducting negotiations with different investors in this context has appeared on various platforms. Within the framework of the partnership agreement signed between our Company and Dow Europe Holdings B.V., Aksa Akrilik has the "First Right of Refusal" in the event that the shares in DowAksa are sold to third parties. In this context, if Dow Europe Holdings B.V. wishes to sell to a third party, the shares must be offered to our Company with the same conditions. Within the framework of this right, depending on the progress of the process, our Company will continue its strategic evaluations within this scope. Currently, no binding agreement has been made with our Company and there is no finalized transaction that needs to be disclosed to the public.

However, in the event of concrete developments in the process, our investors and the public will be informed in accordance with the Capital Markets Board regulations.

This information is presented to the public.

Sincerely,
