acryluna

A warm and
soft touch

Meet Acryluna, the new generation fiber!

Designed for the future generations based on current needs...

It's never been this easy to enjoy comfort. Acryluna, the new generation fiber, promises comfort in all walks of life.

Acryluna is unique with its soft touch, comfort of use and eco-friendly features. Thanks to its long lasting feature, it reduces your need for new products and therefore, minimizes the use of natural resources as an eco-sensitive product. Its thermal comfort effect will utterly change your habits of use and offer you a sense of premium comfort.

A soft and natural touch

Acryluna's, soft texture offers a truly sensual experience by fostering your sense of comfort with its natural touch to your skin. It prompts your peace of mind as it embraces you with its silk touch.

A warm embrace

Acryluna's, special texture will keep you warm. The comfortable and soft touch of Acryluna will welcome you to a cozy and relaxing atmosphere.

Thermal comfort

Acryluna, provides a unique sense of thermal comfort as it keeps you cool in hot weather while lending sense of warmth in cold weather. Its breathing construction prevents perspiration and never holds moisture inside. Its fast-drying effect helps you engage in activities with sense of utter comfort.

Eco-friendly Acryluna

Acryluna's responsible production process ensures recovery of used materials which, in turn, enables us to keep our promise to offer eco-sensitive and eco-friendly products.

CLOTHING

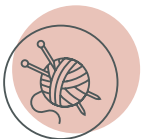

Its special texture will offer a comfortable and cozy touch to all your clothes including sportswear, thermal clothing, denim, socks, and knitwear.

CARPET

The carpets manufactured with Acryluna will become the most comfortable and pleasant part of your home and keep you company in your precious moments with your loved ones by preserving their features for long years.

HAND KNITTING

With its warm and colorful options, Acryluna hand knitting yarns will be an indispensable part of your most valuable moments in life. Acryluna will be always by your side as you make a gift of the most special memories for your loved ones.
